

Becci Curry Named Media Specialist of the Year

Congratulations to Mrs. Becci Curry! She has been selected as Camden's Media Specialist of the Year. Mrs. Curry is the Media Specialist at St. Marys Elementary and she was chosen by her peers to represent Camden County at the Georgia Media Specialist of the Year competition. We wish her the very best as she completes the next step of the process. The state Library Media Specialist of the Year is selected from the district winners. The state winner will be announced at the GLMA Summer Institute in June.
