

CCHS Alumni Give Back to Middle School Band Students

The St. Marys Middle School Symphonic Band is preparing for their Large Group Performance Evaluation which will be held on Thursday, March 9, 2017 at Wayne County High School in Jesup, GA. In preparation for this event, a workshop was held to offer band students a more specialized teaching experience. Former band students and Camden County High School graduates, visited for the weekend and shared their expertise with the Symphonic Band Students. This was a wonderful opportunity for the middle school band students. Not only did the students grow musically, but they were able to learn from someone who was "once in their shoes."
