At the regular meeting of the Camden County Board of Education on March 12, 2019, the Board unanimously approved a final candidate for the position of Superintendent to succeed Dr. Will Hardin who announced his intent not to pursue another contract beyond his current term ending December 31, 2019.

Board members all affirmed the selection of the next superintendent of Camden County Schools to carry forward the accomplishments of the past few years and their plans for the future is one of the most important roles they assume for the children and citizens of Camden County.

After carefully considering all of its options, Board members agreed the person best qualified to lead the school system at this point in its history is presently employed by and serving the district.
