Dr. William C. Hardin, Superintendent

Members of the Board of Education,

After much reflection and prayer, I will elect not to seek a renewal of my current contract. I will end my tenure as Superintendent of Camden County Schools December 31<sup>st</sup> 2019.

At the end of this school year, I will complete my 38<sup>th</sup> year in public education, my 23<sup>rd</sup> in Camden County and 12<sup>th</sup> as Superintendent. Being a part of this extraordinary school system is a great privilege and serving as the Superintendent has been one of the greatest honors of my life.

I am thankful for your enduring trust and support and for the Board's vote of confidence 12 years ago in selecting me for this position. I pray I have met your expectations. Your support and the relationships we forged created a rewarding work environment few school systems enjoy. Your collective desires and principled approach to ensure our schools offer the very best opportunity for success influenced the decision to serve most of my professional career in Camden County Schools.

I am grateful to our parents and community members for their trust and confidence and to the current and past administrators, teachers and staff who work tirelessly to ensure our classrooms are places where teachers can teach and students can learn. I will remain your greatest advocate and loudest cheerleader.

Announcing my intent now will enable a smooth and seamless transition for new leadership. I will continue to serve faithfully as your Superintendent until midnight December 31<sup>st</sup> 2019 and gladly carry out the responsibilities you have assigned.

Sincerely,

William C. Hardin, Ed.D.  
Superintendent of Schools
